CHOOSE ANY PROVIDER

The Gold and Platinum plans give the freedom to use any provider and additional savings may occur with in-network dental providers. Our dental network focuses on neighborhood dentists. It is one of the largest in the United States, but it's not available in all states. Visit [Wellabe.com/dental](https://www.wellabe.com/dental) to see the list of providers.

SAVE MONEY

1. Add a spouse to the dental policy at time of application to provide a combined savings.
2. Include a 5% discount if either the applicant or spouse (if applicable) are applying for and issued a Wellabe Medicare Supplement or Final Expense plan at the time of the dental plan or already have an existing Wellabe Medicare Supplement or Final Expense plan.¹
